

ROGUE ∞ WHITE

ULTIMATE STABILITY. PRECISE CONTROL.

NEW ALDILA™ ROGUE ∞ WHITE Available 2026

Delivers maximum stability, precise control, and consistent
impact for aggressive, confident swings.

ALDILA

ALDILA™ ROGUE ∞ WHITE

ROGUE ∞ White is engineered for players seeking maximum face control and stability through impact. Leveraging Dual Torque Core construction, ROGUE ∞ White promotes left start-line tendencies and repeatable club delivery while maintaining the smooth, stable feel expected from the ROGUE lineage. Designed for aggressive swings, this profile helps golfers produce consistent impact conditions and confident shot patterns under speed.

ALDILA's Dual Torque Core is a proprietary shaft technology designed to reduce torque and improve stability without sacrificing smooth feel. It is the centerpiece of the ALDILA ROGUE ∞ (Infinity) series and focuses on the torque core—the part of the shaft responsible for transmitting vibrations from impact to the golfer's hands.

The technology uses a dual-layered construction of high-modulus fibers:

- Dual Torque Core Technology reduces torque and improves shaft stability through an application of High Modulus Fiber and Pitch Fiber.

Key Benefits

- Left Start-Line Tendencies: Designed for golfers needing the most left startline with minimal toe down deflection.
- Maximum Clubhead Stability: Reduced shaft deformation help maintain consistent clubhead delivery through impact.
- Consistent Impact Conditions: Promotes repeatable face presentation and improved control at higher swing speeds.
- Enhanced Feel: Dual Torque Core maintains the smooth, active feel players prefer while providing improved clubhead control.

Player Type: Higher tempo players seeking maximum face control, left start-line tendencies, and repeatable impact conditions.

ALDILA™ ROGUE ∞ WHITE FEATURES

- ✓ HIGH MODULUS FIBER REINFORCEMENT
- ✓ PITCH FIBER INTEGRATION
- ✓ LASER-ETCHED SHAFT DETAILING

ALDILA™ ROGUE ∞ WHITE SPECIFICATIONS

PRODUCT	FLEX	LENGTH (IN)	WEIGHT (G)	TIP O.D. (IN)	TIP LENGTH (IN)	BUTT O.D. (IN)	TORQUE (°)	KICK PT.
ROGUE ∞ White 50	S	46	53	0.335	3	0.600	4.6	High
