WHITE 130 M.S.I.

MID LAUNCH, LOW SPIN

Company	Aldila®
Product Type	WOOD
Series	ROGUE® WHITE
Year	2019

For the first time ever ALDILA® has introduced a third profile to the ROGUE® 130 M.S.I. Series. The ROGUE® White 130 M.S.I. pushes the limits of performance with the use of extremely high modulus, Graphitic Carbon Fibers to provide the ultimate in performance from a Mid Launch, Low Spin profile. The ROGUE® White 130 M.S.I. profile fills the performance gap between the Low Launch, Low Spin profile of the ROGUE® Silver 130 M.S.I. and the Mid/High Launch, Mid spin profile of the ROGUE® Black 130 M.S.I.

The ROGUE® White 130 M.S.I. is designed fit a wide range of players, who are looking for a workable, soft feeling shaft, Mid Launch profile without excessive spin.

Technologies: 130 M.S.I. Graphitic Carbon Fiber, NextGen Micro Laminate Technology®, High Balance Point
