The legendary ALDILA ROGUE family makes its return with ROGUE ∞. ROGUE ∞ builds on the success of ROGUE Black 110 and ROGUE 130 with the use of ALDILA's Dual Torque Core, a unique new technology that uses 80 Ton Pitch Fiber in a full-length application and 46 Ton Pan Fiber in the angle plies to drive down torque and create consistency swing-to-swing in this innovative counterbalanced Rogue revival. Rogue ∞ makes the golfer faster, consistently.
