

ALDILA™ NV WOOD

LOW LAUNCH, LOW SPIN

Company	Aldila®
Product Type	WOOD
Series	NV™
Year	2023

ALDILA's classic low-launch, low-spin NV Green and NV Pink have been refreshed in 2023 with an all-new cosmetic. NV Green and Pink have been two stalwarts in the shaft world since debuting in 2003. To celebrate its 20 year anniversary, NV Green and Pink get a total cosmetic overhaul – but still the same technology and structure golfers have come to trust over two decades.

Key Technologies: NexGen Micro Laminate Technology
